Total	**Ksh. 22,244.00**	**Total government allocation/year**

The Basic Education Act of 2013 is a landmark legislation in Kenya that mandates free and compulsory basic education for all children. This comprehensive act delineates the educational rights of children and outlines the responsibilities of the government and various stakeholders in ensuring universal access to quality education. To support this initiative, the government allocates an annual fee for each student enrolled in public primary or secondary schools, demonstrating its commitment to fostering an educated society and providing equal opportunities for all Kenyan children.
